

**Democratic Governance, Public Administration and Poverty Alleviation**  
**Thematic Discourse and Geographical Cases**

Under the direction of Pan Suk Kim & Demetrios Argyriades  
 Preface: Géraldine J. Fraser-Moleketi • Foreword: Rolet Loretan

The present volume calls for no less than a paradigm shift in the way that we understand Public Administration. It endeavours to restore public service and the concept of general interest at the core of the field and profession of Public Administration.

**Edition 2015 • 550 p. • € 95,00**

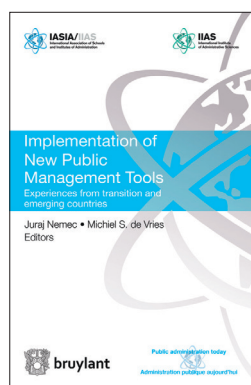

**Quo Vadis ?**

**Local Governance and Development in South Africa post 1994**

Under the direction of Purshottama S. Reddy & Michel S. de Vries

This book critically reviews the development of the post 1994 local government dispensation in South Africa over the past two decades, highlighting the key challenges and possible solutions in terms of improving this sphere of government.

**Edition 2015 • 400 p. • € 80,00**

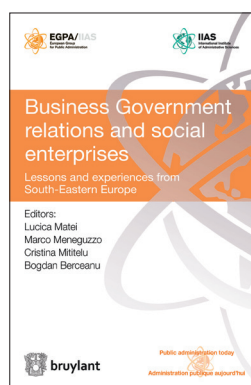

**Implementation of New Public Management Tools**

**Experiences from transition and emerging countries**

Under the direction of Michel S. de Vries & Juraj Nemec

The roles of governments and markets in public service delivery is one of the main questions today. Scholars from countries in transition try to analyze the developments in this regard in their home-countries.

**Edition 2015 • 396 p. • € 75,00**

**Business Government relations and social enterprises**

**Lessons and Experiences from South-Eastern Europe**

Sous la direction de Bogdan Berceanu, Lucica Matei, Marco Meneguzzo, Cristina Mititelu

This book addresses a problem of great scientific and practical interest for South-Eastern European countries, related to the relationship of "business-government" and the role of social enterprises.

**Edition 2016 • € 70,00**
